

# DynamX

visualize success.

DynamX is fully customizable to your business intelligence needs. Pricing depends upon how you want to configure DynamX within your business management environment. iPro Healthcare specializes in integrating DynamX to any data source for seamless, real-time results.

Pricing starts as low as \$9,000 upfront and \$400 per month for 36 months, including maintenance and support.

Your selection of additional interfaces and additional modules will affect pricing. Contact us today for a customized proposal on how DynamX can help you visualize success.
